OFFICIAL PAPER OF QUARTER COUNTY.

FRIDAY, MAY 10, 1897

It has been decided.

Watch Downing now.

Deming will celebrate the Glorious

Earth.

Patriotism will burst forth in this

city on the Fourth of July.

Now is the time to make your home

and entry up and adjacent to Deming.

The powers of Europe are arranging

for a re-birth of the Russo-Turkish

war.

Show business is the proper way for

every to grow, and Deming is getting

there on that line.

An International gold miners convention

will be held in Denver, Colo., on

June 10th and 11th.

The Russian gold reserves in the

treasury and state banks, according to

an official statement March 25th, was

\$60,000,000 rubles.

Tres pessas, American money, will pay

any one who subscribes to the best paper

in Grant County—Address us if such com-

munication to the Headlight.

Celebrate the nation's birthday in

Deming. On that day all the country

will be singing. "Three Cheers for the

Red, White and Blue," and Deming will

join with the fervor and spirit of '76.

The Silver City Eagle claims that

"New Mexico is entirely too large to be

admitted as one state but that it should

be divided and admitted as two states,"

and yet this same journal was claiming,

while the late 32nd assembly was in

session, that Grant County, which is

nearly as large as the average state,

was entirely too small to be divided.

What magnificent and sublime consid-

ency!
